

企业传播

You are a medical/biotech/research company and you would like expert advice on how to prepare powerful scientific stories around one of your products? Or perhaps you wish to outsource all your communication needs to a trusted partner, leaving yourself free to concentrate on your business?

作为一间医疗/生物科技/科研机构，您想有一众专家来为您的产品建立强而有力的科学理论吗？又或者您会不会想外包您一切大大小小的传播责任给您可信赖的伙伴，让您可以集中发展公司业务？

We are an agile science communications company that can help you prepare, in English or Chinese,

- high-impact reports and strategy documents for your internal use or for interacting with partners and investors
- unforgettable pitches to win new partners and investors
- crystal-clear technical documents to explain your products to customers
- unique advertising materials to reach new markets

我们作为一间敏捷的科学传播公司，可为您以中英文提供以下服务：

- 用以内部传阅或与企业伙伴或投资者沟通的重要报告或策略文件
- 建立叫人拍案叫绝的投售方案去赢取伙伴及投资者的青睐
- 以清楚明了的技术性文档去让您的客户了解您的产品
- 创建别树一帜的宣传物料去为您开拓新市场

As one of Hong Kong's leading sci/tech communications consultancies, we have already helped thousands of basic researchers, engineers and innovators across China. We are a dynamic group of former biomedical researchers who have worked at world-leading institutions in the US and Europe and who now work full-time helping scientists and engineers share their groundbreaking stories with the world.

作为本港一家领先的科学/科技传播咨询公司，我们已帮助了数以千计在中国的科学家和工程师。我们有一班充满活力并曾在欧美地区的世界知名机构深造的生物医学研究员，正帮助一众科学家/工程师对全世界讲述他们革新的故事。
