

I. Translation of manuscripts from Chinese to English

Expert translation by a native speaker with a PhD in biomedical science and experience working for scientific publishers

Cost: 0.80 HKD per Chinese character

Turnaround time: 5-6 business days

II. Editing and polishing of manuscripts in English (including manuscripts that we translate)

„Correct language“ service

Ideal for researchers who want only grammar and style polishing to „smooth out the rough edges“ of their writing

Expert assistance with language (grammar, syntax, writing style)	Unlimited rounds of revision before journal submission	Up to 1000 words	1400 HKD
		1000-2500 words	1950 HKD
		2500-5000 words	2850 HKD
		5000-6000 words	3300 HKD
		6000-7000 words	3500 HKD
		>7000 words	Enquire
Formatting for target journal (excludes references)	Editing certificate upon request		

Turnaround time: 5-6 business days
Word length excludes references

„Powerful storytelling“ service

Ideal for researchers who want comprehensive help with language as well as the structure and logic of their scientific arguments

„Correct language“ service

Expert assistance with clarity, logical flow and convincing argumentation (including minor and major reorganizations of text, suggestions to delete or add material)

Up to 1000 words	1940 HKD
1000-2500 words	2715 HKD
2500-5000 words	3900 HKD
5000-6000 words	4500 HKD
6000-7000 words	5000 HKD
>7000 words	Enquire

Turnaround time: 5-6 business days
Word length excludes references

The fee for editing your changes to a peer-reviewed manuscript (with or without revision of your response letter) is calculated based on the number of words to edit.
